R2 with notespart 1 - ELIS SEIS Coop Agency Mtg 03 - SCREENING (17Jne13) briefing.pptx

Hi pat,

I purposely asked the contractor to produce a PDF version for ease in transmitting.

I am not going to ask the contractor to burn a cd so it will have to be something I do here. I would rather, since we spend quite a bit of time on this yesterday to send you what we discussed.

I will be sending it to you in 4 increments. This should work. In the future, I will break up the ppt's and send them to you as well.

I would ask that you send me a copy of what you discuss, so R1 is aware of your briefing.

We should also produce a joint RA briefing document.. so when you send the factsheet, I can build on it and provide updates.

Tks see part 1 attached.

Jean - If it's too much work, don't worry about it. I'll use the existing slides and deal with it along the lines of what we discussed today. I think at some point, a pared down version would be useful for the purposes of briefings. If, eventually, we can get a ppt on a disk sent to Region 2, that would be most helpful.

Hi Pat,
As discussed today.. the ppt's will not go through email.
I thought I could split it into 2 emails.. so I am going to have to spend time tomorrow breaking it up into 4 parts..

Ex. 5 - Deliberative Process

Tomorrow I will also send you a schedule as mentioned.

Finally, Keep in mind, NY DOS has requested that we put together the LWRP's for their agency. Turns
